**For A New Green America**

**CaffreyForCongress.org**

**California, District 2**

Giving the **Democrats** a chance to **Vote Green**

1. Fight The Climate Crisis as Threat Number One
2. Rebuild America's Infrastructure around Bioregions and Sustainability to meet all our needs as close to home as possible
3. TAX THE RICH
4. Medicare for All and Expansion of the Social Safety Net
5. Retreat the U.S. empire. Use the military only to defend Americans and their US property
6. End Corporate Personhood
7. Legalize Marijuana and End the War on Drugs
8. Prosecute the Bush administration for Crimes Against Humanity, War Crimes, Torture, and Murder
9. Electoral Reform and Paper Ballots. Get Corporate Money out of Elections
